

CM-220 — Enterprise Care Management Standard

FICTIONAL WORKSHOP DOCUMENT — NOT FOR CLINICAL USE

Field — Value

Document ID — CM-220

Version — 2.1

Status — Active

Effective date — 2026-07-01

Authority — Enterprise Care Management Committee

Requirement

For a heart-failure discharge, schedule care-management follow-up within **30 days**.

Scope and precedence

This synthetic standard does not define its precedence relative to cardiology discharge policies.

The omission is intentional and is used to demonstrate unresolved context conflict.
