

CP-104 — Cardiology Discharge Policy

FICTIONAL WORKSHOP DOCUMENT — NOT FOR CLINICAL USE

Field — Value

Document ID — CP-104

Version — 4.2

Status — Active

Effective date — 2026-01-01

Authority — Cardiology Governance Council

Requirement

For a heart-failure discharge, schedule clinical follow-up within **7 days** and provide daily weight-monitoring instructions.

Scope and precedence

This synthetic policy does not define its precedence relative to enterprise care-management standards. The omission is intentional and is used to demonstrate unresolved context conflict.
